Rheem.com
**Why Rheem?**

Enjoy cool summer days and nights with the most reliable air conditioners available. Rheem offers products that fit every budget so your family can enjoy reliable home comfort for years to come. We focus on bringing homeowners ‘The New Degree of Comfort’ through the development of energy efficient air conditioning solutions designed to save money and go easier on the environment. With a Rheem Value Series Air Conditioner, you’ll stay cool while staying on budget.

---

**Enjoy the Benefits of Reliable Comfort**

The Rheem Value Series Air Conditioner is designed to give you proven quality and lasting comfort from a name you trust and a price you’ll love.

**Energy-Efficient Cooling**

Legendary Scroll® compressor technology delivers proven durability and enhanced efficiencies, providing continuous comfort with less energy usage. Your energy savings are further increased by a cooling efficiency rating of up to 16.5 SEER.

**Low-Cost Maintenance**

Convenient access to internal components means contractors can make most adjustments without shutting the entire system down, keeping their time and your cost to a minimum.

---

**Enjoy Long-Lasting Quality and Comfort**

We understand that purchasing heating and cooling equipment is an investment. With Rheem, it’s one you can expect to continually perform and deliver value for your family long-term. We’ve designed the Rheem Value Series to provide comfort you can count on.

**Protective Design**

Full metal cabinet protects the coil from hail, lawn debris and keeps curious children safe.

**Superior Finish**

Painted metal cabinet finish exceeds the industry 1,000 hour salt-spray testing requirement, guarding against the elements and rust, keeping your investment visually pleasing.

**Rheem Quality**

Complete factory run testing ensures your Rheem equipment operates at peak performance before being installed in your home.

---

**Ready for comfort?**

Find your local Rheem Independent Contractor today at Rheem.com/Contractors.

---

Proper sizing and installation of equipment is critical to achieve optimal performance. Residential split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR® criteria. Ask your contractor for details or visit www.energystar.gov.

Reliability claim based on recent survey of over 40,000 consumers by the nation’s leading consumer product review magazine.

---

*For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local contractor or go to Rheem.com for a copy of the product warranty certificate. Conditional warranties must be registered through registermyunit.com.

---
