MAKING IT MORE AFFORDABLE TO ENJOY THE GREAT INDOORS ALL YEAR LONG

With the Rheem Value Series Heat Pump, you get a higher level of comfort and guaranteed system performance at a lower price that every budget can handle.

14PJM Series
Efficiencies up to 15 SEER

Energy Savings
Innovative comfort solution based on established technologies provides continuous heating and cooling and a reduction in your home’s energy usage.

Guaranteed Reliability
Quality construction ensures long-lasting performance backed by a 10-year conditional parts warranty.
Why Rheem?
Enjoy cool summer days and warm winter nights with a reliable Rheem heat pump. Rheem offers products that fit every budget so your family can enjoy reliable home comfort for years to come. We focus on bringing homeowners ‘The New Degree of Comfort’ through the development of energy-efficient heating and cooling solutions designed to save money and go easier on the environment. With a Rheem Value Series Heat Pump, you’ll enjoy a perfect balance of quality, efficiency and value.

Enjoy the Benefits of Reliable Comfort
The Rheem Value Series Heat Pump is designed to give you proven quality and lasting comfort from a name you trust and a price you’ll love.

Energy-Efficient Cooling and Heating
Legendary Scroll® compressor technology delivers proven durability and enhanced efficiencies, providing continuous comfort level with less energy usage. Your energy savings are further increased by a cooling and heating efficiency rating of up to 15 SEER and 8.5 HSPF.

Low-Cost Maintenance
Convenient access to internal components means contractors can make most adjustments without shutting the entire system down, keeping their time and your cost to a minimum.

Enjoy Long-Lasting Quality and Comfort
We understand that purchasing heating and cooling equipment is an investment. With Rheem, it’s one you can expect to continually perform and deliver for your family long-term. We’ve designed the Rheem Value Series to provide comfort you can count on.

Protective Design
Full metal cabinet protects the coil from hail, lawn debris and keeps curious children safe.

Superior Finish
Powder-painted metal cabinet finish exceeds the industry 1,000 hour salt-spray testing requirement, guarding against the elements and rust, keeping your investment visually pleasing.

Rheem Quality
Complete factory run testing ensures your Rheem equipment operates at peak performance before being installed in your home.

Rheem Indoor Air Quality Products
Rheem takes your comfort to the next level with a full line of products designed to remove impurities from the air and maintain optimal moisture levels in your home. To learn more, visit us online today at Rheem.com/IAQ.

Ready for comfort?
Find your local Rheem Independent Contractor today at Rheem.com/Contractors.

Proper sizing and installation of equipment is critical to achieve optimal performance. Residential split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR® criteria. Ask your contractor for details or visit energystar.gov.

* For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local contractor or go to Rheem.com for a copy of the product warranty certificate. Conditional warranties must be registered through registermyunit.com.
