Why Rheem?
Enjoy cool summer days and nights with the most reliable air conditioners available. Rheem offers products that fit every budget so your family can enjoy reliable home comfort for years to come. We focus on bringing homeowners ‘The New Degree of Comfort’ through the development of energy efficient air conditioning solutions designed to save money and go easier on the environment. With a Rheem Classic Series Air Conditioner, you’ll enjoy a perfect balance of quality, efficiency and value.

Enjoy the Benefits of Guaranteed Comfort
At Rheem, we understand the needs of everyday living, which is why the Rheem Classic Series Air Conditioner was designed to guarantee homeowners like you, highly efficient performance with improved energy savings and greater comfort.

Energy-Efficient Cooling  Legendary Scroll® compressor technology delivers proven durability and enhanced efficiencies, providing continuous comfort with less energy usage. Your energy savings are further increased by a cooling efficiency rating of up to 16 SEER.

Curb Appeal  Low-profile design blends in with the exterior of your home and is less likely to obstruct views from exterior windows.

Quiet Operation  Elevation of the unit off the concrete pad reduces vibrations, allowing for quieter performance.

Low-Cost Maintenance  Convenient access to internal components means that contractors can make most adjustments without shutting the entire system down, keeping their time and your cost to a minimum.

Enjoy Long-Lasting Quality and Comfort
We understand that purchasing heating and cooling equipment is an investment. With Rheem, it’s one you can expect to continually perform and deliver value for your family long-term. We’ve designed the Rheem Classic Series to provide comfort you can count on.

Protective Design  Full metal cabinet protects the coil from hail, lawn debris and keeps curious children safe.

Superior Finish  Powder-painted metal cabinet finish exceeds the industry 1,000 hour salt-spray testing requirement, guarding against the elements and rust, keeping your investment visually pleasing.

Rheem Quality  Complete factory run testing ensures your Rheem equipment operates at peak performance before being installed in your home.
