RAISE YOUR COMFORT LEVEL

WHILE LOWERING EVERYTHING ELSE

Lower your energy bills and maintenance costs while enjoying more precise comfort with the award-winning Rheem Prestige Series™ Air Conditioner equipped with the Comfort Control System™.

RAPM-JEZ Series
Efficiencies up to 16 SEER

Energy Savings
Innovative comfort solution based on established technologies provides continuous cooling and a reduction in your home’s energy usage.

Advanced Comfort
The Comfort Control System actively keeps your air conditioner running smoothly through 32 performance-monitoring points and “call for service” notification reminders.

Guaranteed Reliability
Quality construction ensures quiet operation, better protection against the elements and long-lasting performance backed by a 10-year limited parts and 5-year conditional total unit replacement warranty.
The Comfort Control System

The Comfort Control System ensures your Rheem Prestige Series air conditioner runs at top efficiency by actively monitoring your equipment — measuring temperature and relative humidity while providing detailed diagnostics for ease of repair and maintenance, including routine reminders for air filter changes.

Enjoy the Benefits of Smart AC Technology

The Rheem Prestige Series Air Conditioner featuring the Comfort Control System is designed for maximum efficiency, offering smart technology that helps your family enjoy the highest level of comfort, while lowering energy use and electricity bills.

Energy-Efficient Cooling
Legendary Scroll® compressor technology delivers proven durability and enhanced efficiencies, providing continuous comfort with less energy usage. Your energy savings are further increased by a cooling efficiency rating of up to 16 SEER.

Curb Appeal
Low-profile design blends in with the exterior of your home and is less likely to obstruct views from exterior windows.

Quiet Performance
A compressor sound blanket encompasses the unit’s compressor, greatly reducing operating noise.

Low-Cost Maintenance
Convenient access to internal components means that contractors can make most adjustments without shutting the entire system down, keeping their time and your cost to a minimum.

Enjoy Long-Lasting Quality and Comfort

We understand that purchasing heating and cooling equipment is an investment. With Rheem, it’s one you can expect to continually perform and deliver value for your family long-term. We’ve designed the Rheem Prestige Series to provide comfort you can count on.

Protective Design
Full metal cabinet protects the coil from hail, lawn debris and keeps curious children safe.

Superior Finish
Powder-painted metal cabinet finish exceeds the industry 1,000 hour salt-spray testing requirement, guarding against the elements and rust, keeping your investment visually pleasing.

Rheem Quality
Complete factory run testing ensures your Rheem equipment operates at peak performance before being installed in your home.
